Sir,

Subject - Appointment of Assistant Sanitary Inspector to Yelahanka Municipality requests sanction to the continuance of

I have the honour to state that an Assistant Sanitary Inspector on 25-1-35 was appointed temporarily for a period of one year to the Yelahanka Municipality in the year 1938-39, for attending to the several improvement works in the Municipality Though the period of sanction expired in September 1939, the appointment has been continued up to date without obtaining the sanction of Government, on the strength of the provision made to meet this expenditure in the sanctioned budgets for these years

The Local Auditors, during the course of audit of the Municipal accounts have made a note in the Scale Register that separate sanction of Government is necessary for the continuance of this appointment since 19-9-39

3 The Municipal Council has resolved at its meeting held on 7-10-1941, that sanction of Government may be obtained for the continuance of the Assistant Sanitary Inspector up to date The Council further thinks that the appointment of an Assistant Sanitary Inspector for the Municipality is not necessary in view of its slender resources This move seems to have been actuated by the dis-satisfaction of the work of the previous incumbent, who has since been transferred

4 This is an important Municipality close to the City with an average income of Rs 6000/- a year The services of an Assistant Sanitary Inspector are necessary I request that in these circumstances, sanction of Government may kindly be obtained to the continuance of the Assistant Sanitary Inspector from 19-9-39 till the end of the current official year when the position will be reviewed and a definite recommendation made regarding his further continuance on a permanent basis, or otherwise
